## Minutes of August 3, 2021 page two

Presidents report.

Bill VY2WM

Bill stated that the items he normally reported on will come up on the committee reports and today' meeting will focus on Field day actives.

Financial Report:

Charles reported that there was one member had renewed his membership for 2021 and he has not received any requests for funds to pay Field Day expenses.

Club Repeater site:

Dave VY2DAC gave an update on the discussions with the Charlottetown Water utility on the progress on the radio tower at the site in Winsloe. The base is in and the tower he thinks the tower is here and should be up in the next 30 days.

Emergency Preparedness:

Brent advised that he had a email from Tanya Mullally stating that there is online training courses now available. Courses are free but you must register with EMO. William spoke on how EMO views the amateur radio world. After discussion it was agreed that there seems to be no interest by EMO in using amateur radio. William spoke about using Winklink and that it is the way of the future.

Correspondence:

Bill read a letter from Hamshack.ca which spoke on setting up a Club Listing Repository. Members that it could be a good idea but it would need to be updated on a regulator basis.

Field Day review:

Darrel stated some problems but that is why we have field day. Darrel thanks everyone for the help on setting up and tear down on Sunday.

The report on how many points we earned should be out by November.

Bill WM thanked Therese for all the food she donated and Ron AIC for the photos and drone videos.

William spoke on need for signage.

Although no one got hurt it was suggested that there is a need for a Safety Officer at our next Field Day.

Minutes of August 3, 2021 page three

Bill WM spoke on why Brent was able to get use of the Southport room in the Stratford town hall for our monthly meetings.

Fall activities:

Some of the fall activities that were considered are having a radio fox hunt.

Have a flea market, maybe with the Summerside club.

Have a course for persons wanting to get a amateur radio license.

Brent volunteered to help with putting on a course.

William spoke on having a "Elmer" to help him get his license and thinks it would be nice if some of our club members "Elmer" the new Hams.

We had discussion on activation of parks and of light houses.

Bill WM asked if anyone was interested in having a CW course just to improve our CW operating skills.

Richard VY2RB adjourned the meeting 8:30 PM.
