CHARLOTTETOWN AMATEUR RADIO CLUB NEWSLETTER

Welcome to the **June 2026** edition of the [Charlottetown Amateur Radio Club](#) Newsletter! We'll try to keep you up-to-date with what's happening this month and any future events we're planning or are aware of. This newsletter is automatically distributed to club members, prospective future students who have reached out to us in the last year, and other interested amateur operators in the region. If you do not wish to receive these monthly newsletters, let us know and we can remove you from our distribution list. Alternatively, if you are not included on the mailing list, but would like to receive a copy of our newsletter, please reach out to our secretary.

June 2026 Club Meeting - Tuesday night June 2nd, Stratford Town Centre

And here we are in June already. Let's hope the weather will finally pick up! ☀️ This month's club meeting will be held Tuesday, June 2nd, at the Stratford Town Centre. Start time: 7:00 P.M. As always, everyone is welcome to attend, not just club members. If you're a licensed radio operator and would like to become a member, or you're perhaps interested in becoming licensed and would like to find out more about us and the hobby, then please come and join us. We would love to meet you. For anyone who would like to become a member, membership dues are \$30 for those who are not currently members of the Radio Amateurs of Canada (RAC). For RAC members, it's \$20 for the year. Our students and graduates from the Fall 2025 class are automatically members of the club for 2026. Our meetings run from 7:00 P.M. to 9:00 P.M. (1900–2100) in the Southport room at the Stratford Town Centre on Shakespeare Drive. Alongside monthly club reports we usually enjoy an information exchange where we learn about a broad range of subjects, anything from antenna design to the installation of solar panels.

Brent Taylor VY2HF [SK]

It is with the greatest sadness that we had to say goodbye to our dear friend Brent Taylor, VY2HF, who passed away on May 21, 2026. Brent has been an intricate part of our club, beloved by all. He will be so very missed by all of us. Brent was a gifted teacher and mentor, always ready to help and put others before himself. Thanks in a big part to Brent, numerous hams on PEI were able to earn their radio licences. His joy for all things radio was contagious and has had an impact on many of our radio journeys.

Brent was a major contributor to this newsletter since we first started it four years ago. I'm very thankful that I had the privilege of working with him every month to put the newsletter together. Our hearts go out to his wife Janice and son Neil at this most difficult time. [Brent's obituary](#)
I would like to share the message posted by the Radio Amateurs of Canada (RAC) where Brent was Vice-President: <https://www.rac.ca/rac-vice-president-brent-taylor-vy2hf-sk/>.

Summerside Club Spring Licensing Course 2026

It's a wrap! After meeting every week since the end of March, the Summerside club's spring licensing course has successfully completed. The five participants are now ready for their exams, and we may see a few new or upgraded hams over the next few weeks.
